Dear Corbin:

I filed today an amendment to the 12-Day Pre-Election Report for the NY-23 Special Primary Election on November 3, 2009. I originally filed this report in timely fashion on March 19, 2009 but upon reviewing it recently, I discovered several inaccuracies which I have now corrected.

First, on page 1 of the original report it was not clear that the report was filed in connection with the November 3, 2009 special primary election in NY District 23. The amendment corrects this.

Second, on page 10 of the original report it was not clear that the contribution made to Scott Murphy for Congress was made with respect to this special primary election in NY District 23. In addition, the district is incorrectly listed as 20 when he is a candidate in district 23. The amendment corrects these mistakes.

Since the \$5000 contribution made to Scott Murphy for Congress on 2/20/09 was made for the special primary election, the subsequent contributions to his committee on 3/26/2009 for \$2000, on 9/30/09 for \$1000, and on 12/22/2009 for \$2000 were all made in connection with the regular primary election and that is how they are reflected on their respective reports.

Thanks very much. If you have any questions at all, I can be reached at jenny.kensington@verizon.net or 301-946-3804.
